Brazil, the largest of the Latin American nations, is fast becoming a potent international economic player as well as a regional power. This English translation of an acclaimed Brazilian anthology provides critical overviews of Brazilian life, history, and culture and insight into Brazil's development over the past century/5(2). Latin America in Translation/En Traducccion/Em Traducaao In the English-speaking world, Latin Americans are more often written about than read about. As a result, the educated public in the United States continues to learn most of what it does know about the region from Latin Americanists who are themselves foreigners to the national realities they study.
