[30] Having explained the mechanism of the creation and preservation of Caste in India, the further question as to its genesis naturally arises. The question of origin is always an annoying question and in the study of Caste it is sadly neglected; some have connived at it, while others have dodged it. Castes in India: Their Mechanism, Genesis and Development was a paper read by Dr. Bhimrao Ramji Ambedkar at an anthropological seminar of Dr. Alexander Goldenweiser in New York on 9 May It was later published in volume XLI of Indian Antiquary in May /5.

Apr 03, Western scholars, probably not much given to hero-worship, have attempted other explanations. The nuclei, round which have formed the various castes in India, are, according to them: (1) occupation; (2) survivals of tribal organization etc.; (3) the rise of new belief; (4) cross-breeding and (5) migration.

Jun 23, Genesis of Castes: To say that individuals make up society is trivial; society is always composed of classes. Basis for classes may differ (economic or intellectual or social), but an individual in a society is always a member of a class. Apr 25, The question of the spread of the castes all over India has suffered a worse fate than the question of genesis. And the main cause, as it seems to me, is that the two questions of spread and of origin are not separated.
