The crash shocked the small community of Chesterton, but what really shocked the country was the revelation that it was a bomb that brought the plane down. The airline industry was new, and the news of a bomb was potentially disastrous to an industry that was still trying to prove itself safe to a skeptical public and that was also experiencing.

Alaspa published "Sabotage: A Chronicle of the Chesterton Crash" in "The FBI's Melvin Purvis, who is famous for his work with (John) Dillinger, was in charge of the investigation and he.
