It also looks at the application of expert systems as a strategic support beyondthederby.com: Alan J. Rowe. Australian Institute of Management. Australian Institute of Management. Open to the public: ROW Book; Illustrated English Charles Darwin University. Casuarina Campus Library. Open to . Research methodology within strategic management has not been a well-developed field in the academic and scientific literature. The study of strategic management is eclectic in nature, theory based, with substantial empirical research. Much of the strategic management research has been using surrogates for the firm's strategic direction. The revised edition of this book now contains discussion of time-based competition versus cost-based competition, new coverage of total quality management, value-based strategies, concurrent design and .
