The Avenging Saint), which was published later in and which takes place three months after the conclusion of Last Hero. In , after an interval of a number of unrelated novellas and a full-length novel, the trilogy concluded with Getaway.

The Saint Closes the Case, also known as The Last Hero is a novel by Leslie Charteris, first published in , about the now legendary Simon Templar/5.

This adventure was written and set in the early 's and I first read and enjoyed Saint adventures as a young teenager living in a foreign land, Switzerland, with few English- language contacts. I suspect that the stories I liked most were from a bit later in the series. In any case, this one seems a bit sophomoric and the writing a bit overblown.

The Saint Closes the Case (also known as The Last Hero) is the third book in Leslie Charteris Saint series, and the first in which things start to go off the rails. Departing from the Robin Hood meets Sherlock Holmes tone of the previous books, The Saint Closes the Case is a thriller with elements of science fiction, also departing from its predecessors in terms of tone. Simon Templar is the Saint - daring, dazzling, and just a little disreputable. On the side of the law, but standing outside it, he dispenses his own brand of justice one criminal at a time.

02 The Saint Closes The Case Second of the series featuring Leslie Charteris 's blue-eyed square-jawed hero pursues blondes, baddies and boodle in the Europe of the s. Leslie Charteris 's hero is confronted by arch-villain Rayt Marius in a deadly struggle to save the world.
