The transition phase from primary to secondary school is a time of massive personal, physical, psychological and social change. Not only is it a difficult time for the young adolescent, but it is also a challenging time for parents, teachers and anyone working with young people experiencing such substantial changes in their lives.

The transition phase from primary to secondary school is a time of massive personal, physical, psychological and social change. Not only is it a difficult time for the young adolescent, but it is also a challenging time for parents, teachers and anyone working with young people experiencing such substantial changes in their beyondthederby.com: Angie Wilcock.
