The Churches of Christ generally combine the lack of any historical evidence that the early church used musical instruments in worship: and the belief that there is no scriptural support for using instruments in the church's worship service: to decide that instruments should not be used today in beyondthederby.com. The church of Christ is not a denominational title that describes a religious institution established by men. Rather, it is the collective reference to the people of God in the world people who follow the New Testament teaching regarding the church. Question: "Is the Church of Christ a good biblical church?" Answer: This is a difficult question to answer due to the label Church of Christ being such a broad description. There are many churches who refer to themselves as the Church of Christ. Even within the most widespread Church.
